Banana Power-Ups for Gamers

#1 PING REDUCER FOR THE BRAIN

Bananas are packed with vitamin B6, which helps your brain send signals faster. Think of it as optimizing your ping. Less lag = better focus.

#2 HYDRATION ALLY

Bananas are loaded with potassium + magnesium to balance your electrolytes and boost your HP. Bonus: No crash like energy drinks!

#3 QUICK REVIVE

Bananas are digested fast, so they're an instant energy source. They're like a one-tap revive consumable between rounds.
